However, Customer may terminate this Agreement at the expiration of any term by providing written notice of its intent not to extend the Agreement 90 days prior to the expiration of the current term.
- c. The Contractor's services may be terminated:
  - i) By mutual written consent of the parties;
  - ii) For cause, by either party where the other party fails in any material way to perform its obligations under this Agreement. Termination under this subsection is subject to the condition that the terminating party notifies the other party of its intent to terminate, stating with reasonable specificity the grounds therefor, and the other party fails to cure the default within forty-five (45) days after receiving notice.

## **5. ASSIGNMENT:**

Neither party may assign all or any portion of this Agreement without the prior written consent of the other, which consent shall not be unreasonably withheld or delayed; provided, however, the Customer hereby acknowledges and agrees that the execution (as outlined in Schedule 6), delivery and performance of ATS's rights pursuant to this Agreement shall require a significant investment by ATS, and that, in order to finance such investment, ATS may be required to enter into certain agreements or arrangements ("Financing Transactions") with equipment lessors, banks, financial institutions or other similar persons or entities (each, a "Financial Institution" and collectively; "Financial Institutions"). The Customer hereby agrees that ATS shall have the right to assign, pledge, hypothecate or otherwise transfer ("Transfer") its rights, or any of them, under this Agreement to any Financial Institution in connection with any Financing Transaction between ATS and any such Financial Institution subject to the Customer's prior written approval, which approval shall not be unreasonably withheld or delayed. The Customer further acknowledges and agrees that in the event that ATS provides written notice to the Customer that it intends to Transfer all or any of ATS's rights pursuant to this Agreement, and in the event that the Customer fails to provide such approval or fails to object to such Transfer within forty-five (45) business days after its receipt of such notice from ATS, ATS shall be free to effect said Transfer.

## **6. FEES AND PAYMENT:**

Customer shall pay for all equipment, services and maintenance based on the fee schedule indicated in Exhibit A, Schedule 1, ("Fees").

The Customer shall pay all fees due ATS based upon invoices from the proceeding month within 30 days of

submission.

Each anniversary date of the term, the unit prices will increase by the CPI, according to the average of the U.S. Department of Labor, Consumer Price Indices for Urban Wage Earners and Clerical Workers (all items) for the City of Portland, Oregon and the Metro Phoenix MSA. Such average shall be calculated based on the most recent 12-month period for which data is available.

### **FLEXIBLE PAYMENT PLAN**

During the term of the contract, payments by the Customer may be made to ATS under a Flexible Payment Plan. Under the Flexible Payment Plan, the Customer may defer certain payments to ATS until the Customer has collected sufficient funds pursuant to the terms of the contract. If, at the end of the term of the contract, sufficient funds have not been collected by the Customer to pay the balance then due to ATS, ATS agrees to waive its right to recovery of any outstanding balance. For purposes of this clause, the term "funds" means the citation revenue retained by the Customer according to the distribution methods applicable under this contract and state of Washington law. Payments deferred under the Flexible Payment Plan shall not be subject to late payment fees or interest until such time as the funds collected allow ATS to invoice for the deferred payments, and the Customer is late paying all fees on that invoice.

This clause will be applied as follows:

ATS will maintain an accounting of any net balances owed to ATS. If the funds collected during a billing period exceeds the amount of ATS invoices during the same period, the Customer shall pay ATS the total amount due for that period. If the funds collected during a billing period is less than the amount of ATS invoices during the same period, the Customer shall pay ATS the amount collected, and may defer payment of the remaining balance. Payments due to ATS shall be reconciled by applying future funds collected, first to the accrued balance, and then to the invoice for the current billing period. At any time that ATS invoices, including any accrued balance, are fully repaid, the Customer will retain all additional funds collected during that billing period. Such additional funds (whether reserved in cash or not by the Customer) will be available to offset future ATS invoices.

### **7. INTERSECTION AND VIOLATION RATE ANALYSIS:**

Prior to implementing the Axis System, ATS may conduct an analysis of each Approach being considered for a Camera System. If ATS deems necessary, ATS will use the Axis™ VIMS (Violation Incident Monitoring System) or other tool or means to complete the analysis over a 4 to 24 hour period. The Customer will be provided a report on violations recorded at each monitored approach, including the time of day and lanes on which the violations occurred. For any Approach recommended by the Customer, ATS may install a Camera System. However, ATS may elect not to install a Camera System where traffic violation data does not support installation of the Axis System.

### **8. COMMUNICATION OF INFORMATION:**

ATS agrees that all information obtained by ATS through operation of the Axis System shall be made available to the Customer at any time during ATS's normal working hours, excluding trade secrets and other confidential or proprietary information not reasonably necessary for the prosecution of citations or the fulfillment of Customer's obligation under this Agreement.

### **9. CONFIDENTIAL INFORMATION:**

No information given by ATS to Customer will be of a confidential nature, unless specifically designated in writing as proprietary and confidential by ATS. Provided, however, nothing in this paragraph shall be construed contrary to the terms and provisions of any "Open Records Act" or similar laws, insofar as they may be applicable. ATS shall not use any information acquired by this program with respect to any violations or the Customer's law enforcement activities for any purpose other than this program.

### **10. OWNERSHIP OF SYSTEM:**

The arbitrator will have no power to award (i) damages inconsistent with the Agreement or (ii) punitive damages or any other damages not measured by the prevailing party's actual damages, and the parties expressly waive their right to obtain such damages in arbitration or in any other forum. All aspects of the arbitration will be confidential. Neither the parties nor the arbitrator may disclose the existence, content or results of the arbitration, except as necessary to comply with legal or regulatory requirements. Each party will promptly pay its share of all arbitration fees and costs, provided that such fees and costs shall be recoverable by the prevailing party as determined by the arbitrator. If a party fails to pay such share promptly upon demand, the arbitrator shall, upon written request by the other party, enter a final and binding decision against the nonpaying party for the full amount of such share, together with an award of attorney's fees and costs incurred by the other party in obtaining such decision, which decision may be entered in any court of competent jurisdiction. Except for the failure of a party to pay arbitration fees and costs that requires resort to the arbitrator to order such payment, the parties will bear their own attorneys' fees in any matter or dispute under this Agreement.

Changes to services or scope and additional systems and services may be added to this agreement by mutual consent of the parties in writing as an addendum to this Agreement. All other terms and conditions shall remain the same.
